Miles Associates Announces Promotions

Miles Associates is proud to announce the promotions of Rachel Zebrowski, AIA and Dennis Wells, Architect.

Rachel Zebrowski has been named Senior Vice President. With 30 years experience, Rachel has completed a variety of projects, with a focus on campus master planning and corporate headquarters. Her expertise is in enhancing the communication of ideas in both work and education environments through technology. For three consecutive years, Presentations Magazine has recognized her work in their annual awards program.

Promoted to Studio Director of the Miles Associates headquarters in Oklahoma City, Dennis Wells has more than 30 years of experience. He is skilled at managing diverse teams on large, complex projects. He is a Leadership in Energy and Environmental Design (LEED) Accredited Professional and has gained national recognition for his participation in a Six-Sigma process improvement project.

“These two people have demonstrated a high level of commitment to Miles Associates and I would like to congratulate them on their new roles. They have each taken the appropriate steps to develop their careers, and these new roles are representative of their hard work and dedication to the firm.”

– Bud Miles, AIA, President
